Attorney's Docket No.: 788114-1

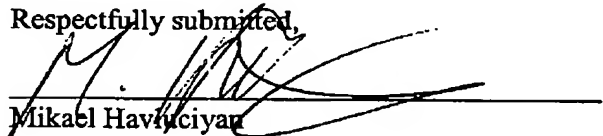

### REMARKS

Reconsideration of the rejections set forth in the office action dated November 17, 2004 and the advisory action dated February 7, 2005, is respectfully requested. Applicant has canceled rejected claims 21-25. Claims 2-15 have again been amended to depend from allowed claim 20. The only other amendments contained herein are for the purpose of correcting minor grammatical errors in the claims.

Applicant thanks the Examiner for taking the time to discuss the rejection of claims 2-15 in the advisory action. The Examiner explained that although claims 2-15 were amended in the Amendment filed by applicant on December 30, 2004 to depend from allowed claim 20, the Examiner did not enter that amendment due to the amendment to claim 21 that required a new consideration. Therefore, claims 2-15 stood rejected in the Advisory Action. Accordingly, the Examiner recommended that applicant file a supplemental amendment after final canceling rejected claims 21-25 without prejudice and amending claims 2-15 again to depend from claim 20. Applicant has complied with that recommendation herein.

Applicant respectfully submits that claims 2-20 are now in condition for allowance and respectfully requests the same. If the Examiner has any questions regarding the foregoing, she is cordially invited to contact the undersigned so that any such matters may be promptly resolved.

Respectfully submitted,
